G. Mike Davis, SFM Retires

Jose Montemayor, Commissioner of Insurance
congratulated G. Mike on his TEN years of
service as State Fire Marshal on his retirement
of May 31, 2004. G. Mike had 30 years of
State experience beginning as a Fire Rater
with the State Board of Insurance in 1973.

G. Mike lives in Round Rock, TX and plans to
relax for a while, maybe.

In Memory of Al Ramirez

A great loss to the fire alarm industry on May
10 when Alvino C. Ramirez died . He was 68
years old. Alvino began his alarm industry
career 46 years ago. He retired from the US
Air Force in 1972 and the SFM Office in
1998. I am sure everyone remembers his wife
Mary Lou who was with the SFM's Office
also.
